

Pepperdine Student Activities Presents

*Songfest 2021*  
*Hobbies*

Thursday, April 29 & Friday, April 30

## SONGFEST HISTORY:

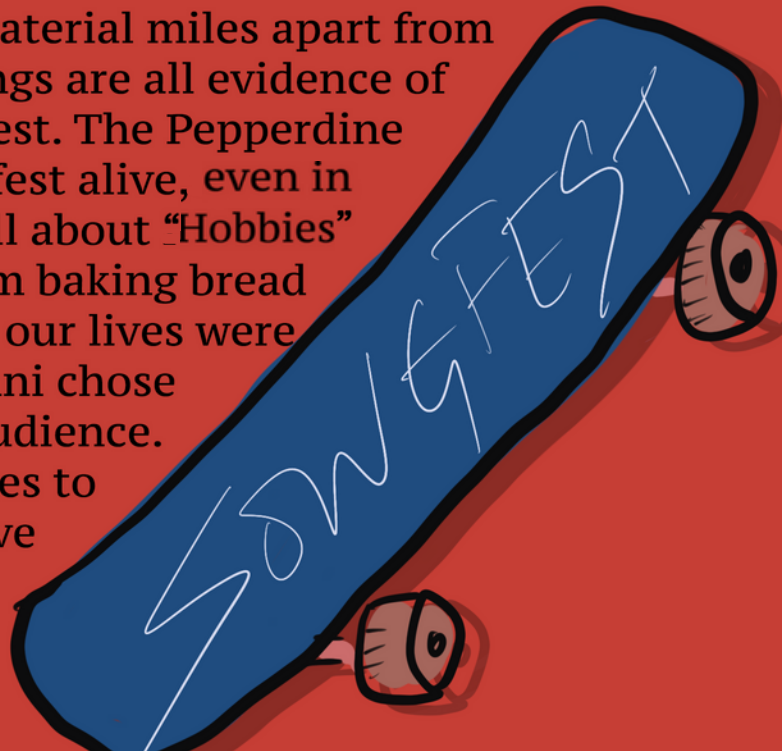

The Pepperdine tradition of Songfest was introduced to the Malibu campus in 1973. Alumni and family from around the country join with students, faculty, staff, and the public in celebrating this joyous musical homecoming. An extra spark of excitement and energy seems to fill the air on campus during Songfest. In spite of the long hours of rehearsal, lasting friendships are made as performers work together to perfect their harmonies and polish their dance steps.

Each group is encouraged to be highly inventive and creative in developing their show. Leadership skills are cultivated as students write their own scripts, arrange their own harmonies, prepare their own choreography, and design their own sets and costumes.

### **“SONGFEST 2021: HOBBIES” DIRECTOR & PRODUCER NOTE**

This is the first year that Songfest has ever been virtual. The students and alumni learned and recorded all their material miles apart from one another. Their videos, skits, and songs are all evidence of their hardwork and dedication to Songfest. The Pepperdine community has kept the legacy of Songfest alive, even in midst of a pandemic. Songfest 2021 is all about “Hobbies” and the activities that keep us busy. From baking bread to tik tok videos, 2020 was a year where our lives were enriched by hobbies. Students and alumni chose their favorite hobby to share with the audience. As the 49th production of Songfest comes to an end, we were overwhelmed by the love our community has for the Songfest program. We hope you enjoy Songfest 2021: Hobbies!

## Let There Be Peace on Earth

Let there be peace on earth  
And let it begin with me  
Let there be peace on earth  
The peace that was meant to be

With God as our Father  
Brothers all are we  
Let me walk with my brother  
In perfect harmony

Let peace begin with me  
Let this be the moment now  
With every step I take  
Let this be my solemn vow

To take each moment and  
Live each moment in peace eternally  
Let there be peace on earth  
And let it begin with me
