House Lighting and Schedule

Directions Advance to Smothers Theatre

From Pacific Coast Highway, turn onto Malibu Canyon Road (northbound). At the first traffic light, Seaver Drive, turn left and enter the campus.

From the Ventura Freeway (US 101), exit at Las Virgenes Road, Malibu Canyon. Head south on Las

Virgenes (which turns into Malibu Canyon Road) for 10 miles to Seaver Drive. Turn right on Seaver Drive and enter the campus.

At the booth, ask for directions to the theatre. The theatre is adjacent to the Seaver College Main Lot (Lot B).

Smothers Theatre

24255 Pacific Coast Highway

Malibu, CA 90263

Vinyl Dance floor
9' Steinway Hamburg Model D
Genie GS- 1930 Scissor Lift
JLG 20MVL Personnel Lift

Parking Info

Parking is worked out as per advance. We have ample space for a 53' Semi and a level parking surface for a tour bus. When the tour bus has a trailer, there is a 150' downhill push to the loading dock. We provide extra hands when this is the case. There is no shore power. Generators are fine to run. Semi-trucks and buses are not permitted to enter campus before 7:00 AM because of nearby residential housing.

Merchandise

We can provide up to two (2) 6' tables in our lobby, two (2) black tablecloths, plus chairs for sellers and signing. Upon request, we can provide one (1) merchandise seller. If you provide sales personnel, we will receive a 10% commission of gross sales. If we provide sales personnel, we will receive a 20% commission of gross sales. Commission will be charged for all merchandise, albums, and digital products, and is payable only in cash. We do not accept credit cards for payment. If your personnel will accept and process credit cards, the University's Wi-Fi or wired networks may not be used for processing payments. Artists and/or their representatives are responsible for paying all applicable taxes.

Hospitality

Meals may be provided per the executed contract and rider. Pepperdine is a dry campus, and no alcohol is allowed. To confirm hospitality details, contact Missy Marion at 310-506-4079.

Backstage Access and Meet & Greets

Smothers Theatre has limited space for guests backstage, so all Meet & Greets and backstage access should be carefully advanced. Please let us know everyone who will need Green Room and Dressing Room access, including crew, friends and family, VIPs, and guests, as well as the times they will be in those areas. We require credentials for anyone accessing our backstage area, and can provide them upon request. We can easily accommodate public Meet & Greets in our lobby.

Ticketing

Complimentary tickets may be provided per the executed contract and rider. Generally, ten (10) complimentary tickets are allotted for each performance. To confirm comp allotments, submit names for will call or request additional tickets for purchase, please contact Jonathan Lizardo at 310-506-6481.

Storage and Dead Cases

Because of the strict fire codes, no storage of dead cases, instruments, costumes, boxes, or other miscellaneous touring equipment may occur in the hallways surrounding the theatre. Our scene shop is also unavailable for storage because of its continual use. All storage must occur in designated locations on stage or as directed by the Center for the Arts staff supervising the event.

Wi-Fi Information

How to Connect: First, connect to the "Pepperdine" network. Open a web browser on your device and visit any webpage. You will be redirected to WavesConnect. If you are not, go to pepperdine.edu/wavesconnect. Click start and select the "Visitor" heading. After you select this you will be required to agree. Click register and after a short period your internet will be ready for use. This must be done every 24 hours.
